

## **Bowenwork® Module 8/Practitioner Days A & B, Seattle, WA!**

*You are invited* to attend a **Module 8** class - a prerequisite for attending Specialised Procedures 1 (Modules 9 & 10) and earns 16 Continuing Education hours. This class also counts as **Practitioner Days A & B** for Bowenwork practitioners who need Continuing Education hours in order to maintain their registration currency.

*The class* consists of a review of all the practical procedures that you have learned in Modules 1 through 6, with a focus on helping you improve your efficacy of using Bowenwork in clinical practice, plus learning about more expedient combinations of procedures, a few new procedures and extra information on strapping.

**Sandra Leahy Gustafson, RN, BSN**, is a senior BTAA registered instructor in the U.S. Originally from South Africa, Sandra moved to Australia in 1985, where she trained as a naturopath and learned Bowenwork with Ossie and Elaine Rentsch. She has been using it extensively in her nursing and naturopathic practices since 1992 and has taught it since 1994. She married and moved to Northern California in 1999, where she now lives and has her Holistic Health practice.

## ***Information on Bowenwork® Classes:***

1. Please be aware that Bowenwork® is demonstrated and practiced on the students who attend the classes. To ensure the safety of class participants as the work is being practiced, close supervision is maintained by the instructor. If you have any health problems that may be affected by being worked on, please advise the instructor before the class commences.
2. We recommend that you bring light, loose clothing to each class so that it is easy for the instructor and the students to palpate anatomical locations on the body. Shorts and T-shirts are recommended, and please wear suitable underwear!
3. For hygiene and comfort, please bring your own sheets/drapes/towels that can be placed on the tables whilst you are being worked on. Flannel sheets, a pillowcase and light blanket will keep you warm!
4. Please ensure that your nails are short and clean, as you will be contacting other students' skin in some procedures.
5. It is advisable to bring your own water to ensure adequate hydration. Snacks may be provided - lunch is your own responsibility.
6. Please remember to bring your manuals, Student Attendance Record and your Logbook hours sheets.
7. A deposit of **\$150** made to **Sandra Gustafson** must be received by **March 9, 2012**, in order to register for the class. The remainder of the class fee must be paid before or on the first day of the class.
8. **Please note our cancellation policy:**
  - Deposits are non-refundable unless the instructor cancels the class, in which case the instructor must give students at least two weeks notice. If the instructor cancels the class, he or she returns the student's deposits.
  - If a student notifies the instructor of non-attendance at least 48 hours before a class, the instructor may credit the deposit toward another class. Failing to give the required notice forfeits the deposit. Credits will be honored for a period of one year from the date of the original class.
  - In order to avoid extra expense in case the instructor cancels a class, we strongly recommend that students purchase changeable or refundable airline tickets or other travel arrangements.
